

Phoenix Millwork Distributors, Inc.

Iron Newels & Balusters

A complete line of Iron Stair Parts to enhance the beauty of your home.

RIBBON SERIES

*see **Finishes** on reverse side under **Options & Accessories** for available finish options

The Best of Both Worlds

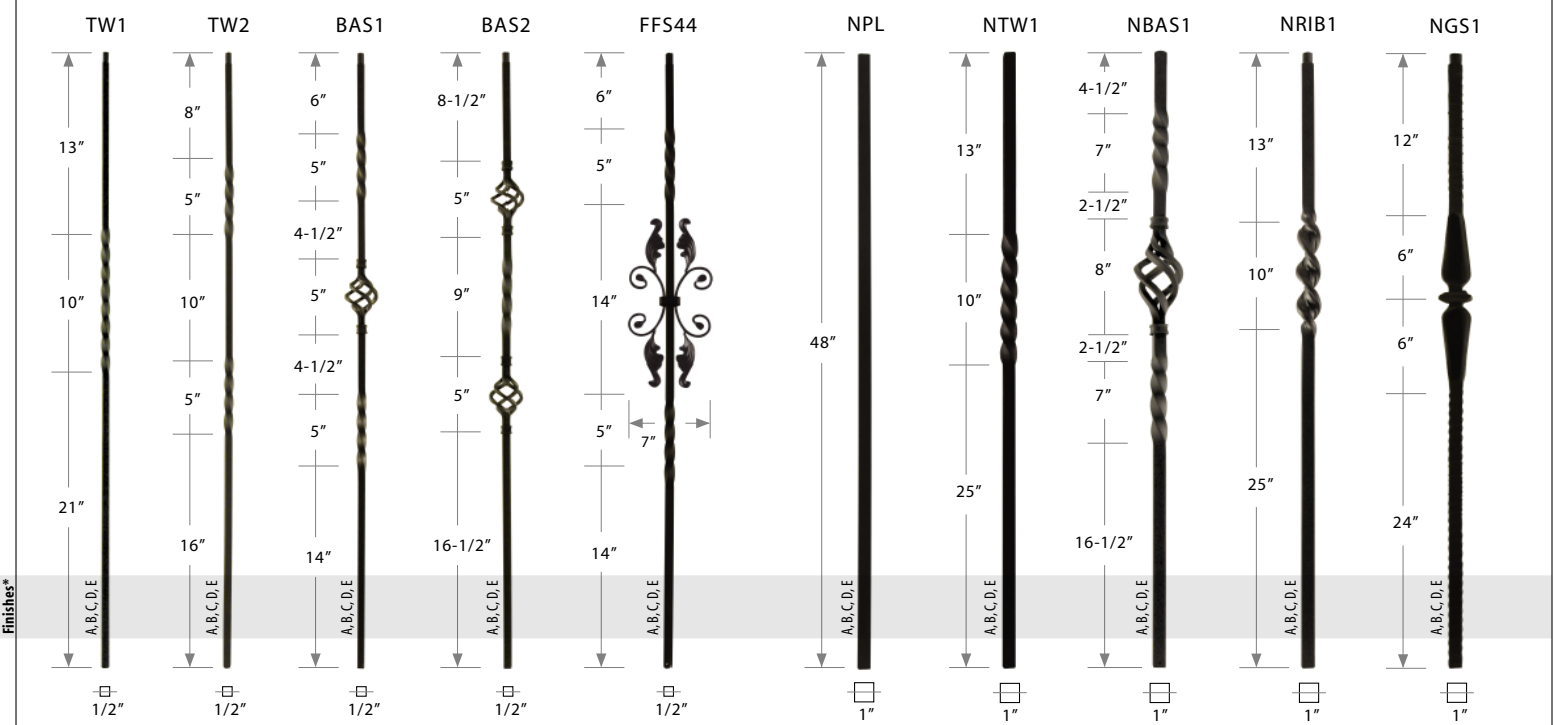

With the unique touch of a blacksmith and museum quality standards, Phoenix Millwork's complete line of forged and die-cast products provides long-term strength and value to any new construction or remodeling project. Committed to satisfying every customer's request, Phoenix Millwork forged iron balusters combine the traditions of the past with an artistic and elegant choice for today.

IRON SHOES & KNUCKLES

Adjustable knuckles (AK01 & NAK02) let you customize plain (square) balusters to suit your style. All parts available with set screws.
